

PA PQC Learning Session
Wednesday, December 14
8:30 a.m. to 12:30 p.m. ET

Register Here: <https://www.whamglobal.org/learning-collaborative-12-14-2022>

Learning Objectives:

- Discuss the successes and future directions of the PA PQC based on the PA PQC's structure and process measures.
- Describe a model for collaboration between community perinatal health workers and hospital quality improvement teams.
- Describe actionable steps to take after collecting and disaggregating data by race and ethnicity to increase maternal and neonatal health equity.
- Discuss statewide Maternal Mortality Review Committee (MMRC) and Child Death Review data and how it relates to PA PQC initiatives.
- Describe successful partnerships between hospital quality improvement teams and patients with lived experience and the steps taken to achieve these collaborations.

Agenda:

8:30 a.m. to 9:00 a.m. – **PA PQC Successes & Future Directions** – Aasta Mehta, MD, MPP and James A. Cook, MD, PA PQC Advisory Group Co-Chairs
